Below are key learning points in the video recording

<i>At Approximately:</i>	
5minutes	Dr Lara urges him to go for his dream
12 minutes	Talks about his days as Sales Manager and then as CEO
14 minutes	Thought about going back to work, but commitment to dream, stubborn
17 minutes	Goes to Dad. Makes peace with Dad. Valuable lessons for life. Became clear about his values, and decided he was going to complete his hero's journey
20 minutes	Discusses tithing statement, and tough choices he had to make
23 minutes	Coach gives him a glare in front of 300 people, tells him to stand for his greatness!
26 minutes	Energy is the key that unlocks our potential. We are nothing but manifestations of energy. Music piece #1 (at about 27 minutes)

28 minutes	Iceberg model - subconscious Discussion on the power of subconscious to manifest our thoughts
36 minutes	Stay positive – it is a source of creation
38 minutes	Power of music even when we are asleep
40 minutes	Power of staying positive, why that accelerates the creative process
41 minutes	The power of letting go
42 minutes	Power of forgiveness and letting go
	42.5 minutes - Second music interlude
	Mark discusses the value of challenges and obstacles - they awaken us to our greatness (blessings)
47 Minutes	Challenges are there to aid us on our Hero's journey Mark gives us tips on: <i>Forgiving and letting go</i> <i>Keep your faith</i> <i>Be in gratitude</i> <i>Create vibration of success</i> <i>Persistence - spice of life.</i> <i>If we could just snap and fingers and manifest results, that would take away spice</i>
51 Minutes	Role of the heart, as a co-creator 52.5 mins - Mark talks about “if only we could get out of the way of ourselves”
56 Minutes	Wrap up, Mark talks about the Journey
57.5 Minutes	Description of the 2 Music CD Pack - what is in them - memory, focus, physical issues
